

Two Major Changes of sb-system on 2008/02

- 1) sb-system ends
- 2) MASTARS be ftp-based

- 1) sb-system ends
- Ends operation.
 - Please backup your files, including /home by 2008/01
 - Only MASTARS remains

2) MASTARS be ftp-based

- No sb-system, /mb disk
- Users get data via ftp or http (to be designed)
- User ID (name) is changed based on current Hilo system; same as STARS.
