

Subaru-TMT session

Subaru Users Meeting FY2024

Shogo Nishiyama,
Fumi Yoshida (SAC chair), Daisuke Iono
on behalf of TMT-J SAC

Subaru SAC and TMT-J SAC joint meeting in 2024 (18th July, 10th December)

- **Comments on Subaru UM**
 - **“It might be worth considering setting up a TMT session at the Subaru UM”**
 - **“In addition to the TMT status reports, there is also the suggestion to allocate more time for discussions about TMT, including its collaboration with Subaru.”**
 - **Proposed discussion topics**
 - **Joint Subaru-TMT proposal (system)**
 - **Update of Subaru-TMT Science book (2020), in light of results from JWST**
 - **Collaboration on instrument development**
 - **Half or 1 day session and Discussion on science cases, science operation, etc.**
- Subaru-TMT session in Subaru UM 2024**
